

24, Great George Street,  
Westminster,

16 April 1847

H24

My dear Sir

Mr. Shepard is visiting your  
Country and having made some  
ingenious enticements which you  
may probably find useful in  
your Railway buildings. I beg to  
introduce him to your favourable  
attention — Any facilities which  
you can ~~offer~~ give him will be  
estimated in favour by yours sincerely

Robt Stephenson

Mr Agrethi  
Engineer Kenner
